**REMINDER: NO AFTER SCHOOL CLUBS (except for Y-Ball & St Claire's Childcare) ON THURSDAY 7<sup>TH</sup> FEBRUARY BECAUSE OF THE PFA DISCOS**

*PFA Discos – Thursday February 7<sup>th</sup> 2019*

*Years 1, 2 & 3 – 3:30 – 4:30pm*

*Years 4, 5 & 6 – 5:00 – 5:00pm*

If you have booked a place for your child on the PFA discos on Thursday, a reminder that the £3 payment must be made by 10am on Tuesday 5<sup>th</sup> February. If payment has not been received, your child's name will be removed from the list.

Payment requests have been issued to everyone through the PayOurSchool system, if you are unable to make payment online you must speak to the office before the payment deadline.

Children attending the Year 1, 2 & 3 disco may bring in to school an outfit to change into and spending money of no more than £3 in a named purse which should be handed to the class teacher. Children will be taken directly to the disco and registered at the end of the school day.

### Online Embroidery Service – Change of Provider

We have been notified that the Tesco Uniform Embroidery Service will no longer be supplying our school uniform after February 12th. All orders placed prior to this date will be honoured. The online service is being transferred to My Clothing at <https://myclothing.com/service> and will be live shortly. My Clothing will supply the same products that are currently on sale from Tesco and the school will continue to receive a 5% cash donation from your purchases. Our school uniform continues to be sold in store at CJL Clothing, 886 Wimborne Road.

## Year 2

Thank you to all parents who have paid for our school trip, all payments should be finalised by Friday 8th February. Also, massive thanks for all the hard work on the Titanic cabins that have been coming into school, they look fabulous! You will be able to see some of them and a range of writing from Year 2 in our exhibition at Winton Library. This will be shown from Monday 11th February

until Monday 25th February.

Finally, we would like your help. If you have any games, board games, Top Trumps, cars, Lego or puzzles that you no longer use at home, we would love to give them a good home in Year 2.

## Reception

### Parent Rocket Building Workshops

**Cherry** - Monday 4th February - 9.15-10.15

**Plum** - Tuesday 5th February - 9.15-10.15

**Apple** - Wednesday 6th February - 9.15-10.15

**Pear** - Thursday 7th February - 9.15-10.15

Q Pootle has crash landed in our playground and needs a rocket so that he can get to the birthday party he was heading to on time.

We would love you to design and make a rocket with your child during the rocket workshop.

Have a think, with your child, about the shape of the rocket you want to make and what materials you might need. The recycling bin will be the place to look!

**Please come to the workshop with all your junk modelling resources**, we will provide scissors, tape, glue, some paper and pens.

### Parent Workshop – Stretching the More Able Child – Tuesday 12<sup>th</sup> February 6pm – 7pm - School Hall

As part of this year's school development plan, we want to help parents understand the changes that have arisen from the introduction of a new national curriculum. From the feedback you have provided us with, we understand that many parents want to understand more clearly how we stretch the more able child in school. As a new curriculum was introduced this is one of the major changes and has led to some of the more significant changes to primary education in many years.

The workshop will be suitable for any parents who are interested in seeing how we design tasks to challenge children if they master a skill that is taught to their age group.

Many children will be 'more able' or need challenging in some subjects whilst others may find this in many subjects. The workshop will help parents understand how we challenge children who meet or exceed expectations for their age and how this may look different to what they are used to seeing schools do.

## Please look after our plants!

Miss Weston, our Outdoor Learning Lead is very sad ☹️  
She has noticed at the beginning and end of each day, in the planted area by the Music Room and around Year 5, that children are running all over the garden. One beech bush has been completely uprooted, many of the rose bushes have been broken and the bulbs that are just coming up are being trampled.

Please can you remind your children that they are to stick to the path?

Thank you

### Year 3

#### Safer Internet Week

In Year 3 the children will be learning about how to be safe on the internet by knowing that they should not be sharing personal information and understanding it is okay to say no and not give permission to others to access their private information. All children will be involved in group discussions and activities as well as taking part in a quiz to help them explore the correct choices

to make in order to keep them safe.

### Topic Home Learning

Thank you to all those children who have already brought in their brilliant model volcano home learning. A reminder that this home learning is due be completed and brought into school by Monday 11th February.

## Stegosaurus

- Herbivore
- Very small head with a tiny brain
- Large, flat, bony, triangular plates along its back
- A heavy, spiked tail for protection,
- Walked on four legs

### Year 1

Thanks for the brilliant home learning we have received so far; the children (and teachers) are really enjoying looking at everyone else's creation!

A reminder that the home learning this term was to choose a dinosaur you would like to find out more about. Research at home and present your findings in any way you like. This could be a poster, a model, a book, a story or a fact sheet.

Some of the work, along with the work the children have been doing in class will then be displayed at Bournemouth library over February Half Term. The deadline for this home learning has now passed but we are still welcoming home learning from everyone until the end of the term.

#### Child of Achievement

Well done to Joshua in 6AS who last weekend received his 'Ultra Marathon' award at Junior Park Run for completing 50 runs! Fantastic!

**FREE OFFER**  
for Winton Primary School pupil's families
